Gifts of Gaia

RESIST PAIN: ●○○○○ -
-- Philodox/Children of Gaia gift
Fortifying herself with purpose and will, the werewolf shuts out the pain of her wounds. A bear- or badger-spirit teaches this Gift.
-- System
The player spends one Willpower point: the character ignores all wound penalties for the rest of the scene.

CAMOUFLAGE: ●○○○○ -
-- Wendigos gift
The Wendigo blends in with the surrounding wilderness, the better to evade enemies or prepare ambushes. A deer-spirit teaches this Gift.
-- System
The difficulties to spot the Garou in the wilderness increase by three.

RAZOR CLAWS: ●○○○○ -
-- Ahroun/Gets of Fenris gift
By raking his claws over stone or another hard surface, the Ahroun hones them to razor sharpness. Either a cat- or bear-spirit teaches this Gift.
-- System
The player spends one Rage point and the Ahroun takes a full turn sharpening her claws. All claw attacks do two additional dice of damage and are made at -1 difficulty for the rest of the scene.

MASTER OF FIRE: ●○○○○ -
-- Homid gift
Fire-spirits were among the very first to make pacts with humanity, allowing men to warm themselves, drive off wild beasts, and clear the land. The cornerstones of civilization were laid in these simple acts, granting the spirits of flame much prestige. Homid Garou remember and continue to call upon these ancient pacts to protect themselves as the final fires of the Apocalypse loom. An ancestor-spirit or fire elemental teaches this Gift.
-- System
The player spends one Gnosis point. For the rest of the scene, fire inflicts Bashing rather than Aggravated damage to the Garou.
