Archetypes

TRICKSTER (nature: what you are)

The Trickster finds the absurd in everything. No matter how grim life (or unlife) may become, the Trickster always uncovers a kernel of humor within it. Tricksters cannot abide sorrow orpain, and so they strive to lighten the spirits of those around them. Some Tricksters have even higher ideals, challenging static dogma by exposing its failures in humorous ways. Comedians,satirists and social critics are examples of Trickster Archetypes.

System:Regain a point of Willpower any time you manage to lift others' spirits, especially if you are able to deny your own pain in the process.

REBEL (demeanor: how you behave)

The Rebel is a malcontent, never satisfied with the status quo or the system as it is. He hates authority and does everything in his power to challenge and undermine it. Perhaps the Rebel truly believes in his ideals, but it is just as likely that he bears authority figures some ill will over a misunderstanding or "wrong" done to him in the past. Teenagers, insurrectionists andnonconformists all exemplify the Rebel Archetype.

Gifts of Gaia

BLUR OF THE MILKY EYE: ●○○○○ -

-- Ragabash gift

The werewolf's form becomes a shimmering, indistinct blur, as though seen through heavy cataracts - even in the midday sun. The Ragabash is not truly invisible, however, and if spotted, this Gift's protection fails until the observer is distracted. A chameleon- or ermine-spirit teaches this Gift.

-- System

The player rolls Manipulation + Stealth (difficulty 8). Each success increases the difficulty of all Perception rolls made to detect him by one for the rest of the scene.

SCENT OF SWEET HONEY: ●○○○○ - Scent of the Honeycomb

-- Bone Gnawers gift

A target the Garou touched at some point during the last hour begins to exude a wonderfully sweet aroma, and becomes slightly sticky to the touch. All manner of vermin quickly appear and coat the victim. The resulting coat of gnats, flies, bees and beetles crawls, stings, and generally impairs vision and hearing. Insect-spirits teach this Gift.

-- System

The player spends one Gnosis point and rolls Wits + Subterfuge (difficulty 7). The target suffers a -1 penalty to all actions for one hour per success: the smell will not wash off during this time.

OPEN SEAL: ●○○○○ -

-- Ragabash gift

The werewolf can open nearly any sort of closed or locked physical device. A raccoon-spirit teaches this Gift.

-- System

The player rolls Gnosis (difficulty of the local Gauntlet rating). If the object is sealed with magic, the player must spend a Gnosis point before making the attempt.

PERSUASION: ●○○○○ -

-- Homid gift

This Gift imbues a homid's words with intrinsic credibility and conviction, causing them to ring true to the ear and lay heavy on the heart. An ancestor-spirit teaches this Gift.

-- System

The player rolls Charisma + Subterfuge (difficulty 7). Success lowers the difficulty of all social rolls by one for the rest of the scene, and allows successful rolls to have uncommonly strong impact (such as changing long-held political views, or causing an addict to seriously reconsider the course of his life).
