Gifts of Gaia

MASTER OF FIRE: ●○○○○ -

-- Homid gift

Fire-spirits were among the very first to make pacts with humanity, allowing men to warm themselves, drive off wild beasts, and clear the land. The cornerstones of civilization were laid in these simple acts, granting the spirits of flame much prestige. Homid Garou remember and continue to call upon these ancient pacts to protect themselves as the final fires of the Apocalypse loom. An ancestor-spirit or fire elemental teaches this Gift.

-- System

The player spends one Gnosis point. For the rest of the scene, fire inflicts Bashing rather than Aggravated damage to the Garou.

RAZOR CLAWS: ●○○○○ -

-- Ahroun/Gets of Fenris gift

By raking his claws over stone or another hard surface, the Ahroun hones them to razor sharpness. Either a cat- or bear-spirit teaches this Gift.

-- System

The player spends one Rage point and the Ahroun takes a full turn sharpening her claws. All claw attacks do two additional dice of damage and are made at -1 difficulty for the rest of the scene.

RESIST PAIN: ●○○○○ -

-- Philodox/Children of Gaia gift

Fortifying herself with purpose and will, the werewolf shuts out the pain of her wounds. A bear- or badger-spirit teaches this Gift.

-- System

The player spends one Willpower point: the character ignores all wound penalties for the rest of the scene.
