Archetypes

CAREGIVER (nature: what you are)

Everyone needs comfort, a shoulder to cry on. A Caregiver takes her comfort in consoling others, and people often come to her with their problems. Vampires with Caregiver Archetypesoften attempt, as best they may, to protect the mortals on whom they feed. Nurses, doctors and psychiatrists are examples of potential Caregivers. System:Regain a point of Willpower whenever you successfully protect or nurture someone else.

BRAVO (demeanor: how you behave)

The Bravo is a tough and a bully, and often takes perverse pleasure in tormenting the weak. To the Bravo's mind, might makes right: power is what matters, and only those with power should be respected. Naturally, physical power is the best kind, but any kind will do. The Bravo sees overt threats as a perfectly reasonable means of gaining cooperation. The Bravo is not incapable of pity or kindness, he just prefers to do things his way. Robbers, bigots, thugs and the insecure are all Bravo Archetypes.
