

Merits & Flaws

Others

▼ *SANDS OF SLEEP: Fetish level 3 : Gnosis 6*
This fetish take the form of a small bag made of a black material and filled with a fine powder that is absorbed when it comes into contact with liquids or solids. When activated, the bag must be swung open-end-first toward the target, striking him with the "sand". The target must make a Willpower roll versus the Fetish Gnosis or fall into deep sleep for one hour. To create this fetish, one of the following spirit types must be bound into the bag: Sleep, Dream, Calm or Night.
