Archetypes

MARTYR [nature: what you are]

The Martyr suffers for his cause, enduring his trials out of the belief that his discomfort will ultimately improve others' lot. Some Martyrs simply want the attention or sympathy theirordeal engender, while others are sincere in their cause, greeting their opposition with unfaltering faith in their own beliefs. Many Inquisitors, staunch idealists and outcasts are Martyr Archetypes.

System:Regain a point of Willpower when you sacrifice yourself or your comfort for your ideals or another's immediate gain.

ROGUE [demeanor: how you behave]

Only one thing matters to the Rogue: herself. To each his own, and if others cannot protect their claims, they have no right to them. The Rogue is not necessarily a thug or bully, however.She simply refuses to succumb to the whims of others. Rogues almost universally possess a sense of self-sufficiency. They have their own best interests in mind at all times. Prostitutes, capitalists and criminals all embody the Rogue Archetype.

About Rites

Gifts of Gaia

CALL OF THE WYLD: ■□□□□ -

-- Galliard gift

The werewolf may send her howl far beyond the normal range of hearing and imbue it with great emotion, stirring the hearts of fellow Garou and chilling the bones of all others. A wolf-spirit teaches this Gift.

-- System

The player rolls Stamina + Empathy; the number of successes determines how far away the Call can be heard (double the normal range for each success) and how stirring it is to those who hear it. This Gift should be used in conjunction with one of the Garou howls (see p. 58). The Storyteller determines the effects as appropriate to the purpose to which it is put, perhaps awarding a bonus die to revel participants for each two successes, or granting a point of Rage to all listeners for an exceptional battlefield howl.

SENSE WYRM: ■□□□□ -

-- Metis/Black Furies/Silver Fangs/Stargazers gift

The werewolf can sense nearby manifestations of the Wyrms. This Gift involves a mystical sense, not a visual or olfactory image, although Garou often describe the Wyrms' spiritual emanations as a stench. This Gift doesn't necessarily sense dedication to the Wyrms, merely contact with its spiritual essence, which can cling to even blameless souls. Sense Wyrms requires active concentration; the spiritual sense it provides doesn't function passively. The Gift may be taught by any Gaian spirit.

-- System

The player rolls Perception + Occult. The difficulty depends on the concentration and strength of the Wyrms' influence: sensing a single fomor in the next room would be difficulty 6, while detecting the stench of a Dane that was in the room an hour ago would be difficulty 7. Vampires register as Wyrms-tainted, save those with Humanity ratings of 7 or higher.

APECRAFT'S BLESSINGS: ■□□□□ -

-- Homid gift

Though many of Gaia's children use tools, none have mastered them so thoroughly as humanity. The homid focuses this mastery into the tools she uses, causing their spirits to awaken and lend her aid. An ancestor-spirit or spirit of a man-made object teaches this Gift.

-- System

The werewolf spends a turn concentrating, and then the player rolls Wits + Crafts (difficulty 7). Each success reduces the difficulty by one on the next roll she makes for her character to employ a tool made by human hands. The purpose is irrelevant-this Gift is equally efficacious for attempts to repair an engine, drive a car or fire a gun.
