Archetypes

MARTYR [nature: what you are]

The Martyr suffers for his cause, enduring his trials out of the belief that his discomfort will ultimately improve others' lot. Some Martyrs simply want the attention or sympathy theirordeal engender, while others are sincere in their cause, greeting their opposition with unfaltering faith in their own beliefs. Many Inquisitors, staunch idealists and outcasts are Martyr Archetypes.

System:Regain a point of Willpower when you sacrifice yourself or your comfort for your ideals or another's immediate gain.

ROGUE [demeanor: how you behave]

Only one thing matters to the Rogue: herself. To each his own, and if others cannot protect their claims, they have no right to them. The Rogue is not necessarily a thug or bully, however.She simply refuses to succumb to the whims of others. Rogues almost universally possess a sense of self-sufficiency. They have their own best interests in mind at all times. Prostitutes, capitalists and criminals all embody the Rogue Archetype.
