Archetypes

SOLDIER (nature: what you are)
The Soldier is not a blindly loyal follower. While she exists for orders, she does not adhere to them unquestioningly. More independent than a Conformist but too tied into the idea of command to be a Loner, the Soldier applies her own techniques to others' goals. While she may seek command herself someday, her ambitions lie within the established hierarchy and structure. The Soldier has no compunctions about using whatever means necessary to do what needs to be done, so long as the orders to do so came from the right place.
System: Regain a point of Willpower when you achieve your orders' objectives. The more difficult the orders are to fulfill, the better it feels to accomplish them. At Storyteller discretion, pulling off a spectacular success or fulfilling a lengthy mission may well be worth additional Willpower points.

LONER (demeanor: how you behave)
Even in a crowd, the Loner sticks out, because he so obviously does not belong. Others view Loners as pariahs, remote and isolated, but in truth, the Loner prefers his own company to that of others. For whatever reason, the Loner simply disdains others, and this feeling is often reciprocated. Criminals, radicals and free thinkers are all Loner Archetypes.
